

Training Grant Advisory

RochesterWorks! has committed all of our general Workforce Innovation and Opportunity Act (WIOA) Adult and Dislocated Worker training grant funds for the current fiscal year, which ends June 30, 2019. We do have some Youth training funds, and we anticipate that we will receive some additional training funds for Dislocated Workers. Otherwise, we will not be able to award new WIOA funds for training programs that start prior to July 1, 2019. If you are unsure, please speak with a staff member at one of [our career centers](#).
