

## **Consumer Directed Aide in all areas of Monroe County**

### **All American Home Care**

An aide for in-home care:

This CDPAP agency is seeking Consumer-Directed Personal Attendants to serve our Consumers in Monroe County.

Do you have a great work ethic and disposition? Have your family and friends commented on your patience and great people skills? Are you honest, ethical, and compassionate? Would you like to use your traits and talents to work with our consumers needing in-home services? This is a rewarding job with good pay and benefits while giving you a fulfillment of making a difference in someone's life.

Job duties may include, but are not limited to:

- housekeeping
- personal care
- transportation
- shopping
- cooking
- companionship

Must be willing to provide documentation of employment physical and PPD test (tuberculosis test) within the last year, and also proof of MMR inoculation.

Must have a Valid Driver's License and own vehicle. Consumers would like a Care Giver that will be able to transport them in the community for appointments and shopping. Reliable transportation to get to the job on time is required.

TO APPLY: You can express your interest to work with our consumers by responding to this posting with a detailed resume e-mailed to [mrodriguez@all-americanhomecare.com](mailto:mrodriguez@all-americanhomecare.com). Please specify in the body of your e-mail areas within Monroe County that you would be willing to travel.
