

CONCRETE FINISHER – Competitive pay, maintained equipment, fun environment.

Become part of a fun and friendly team striving to deliver landscape excellence to the Rochester area. Our growing company offers a multitude of opportunities to enhance your skills, all while enjoying the outdoors.

THE COMPANY

Brighton Landscape has been a leader in the local landscape industry for over 30 years, delivering superior property maintenance, management and installation. Our team is composed of dedicated employees, many serving over 10 years or more.

THE POSITION

We are looking for concrete finishers and masons with 2–3 years of experience. A valid driver's license is required. Pay starts at \$20.00 with room for advancement based on experience. A typical work week consists of about 40 hours a week, Monday – Friday, some Saturdays, weather depending.

Responsibilities include:

- Read design schematics, interpreting and measuring correct layout
- Set forms for patios, sidewalks, pools, etc. based on design specifications
- Smooth and finish surfaces of poured concrete using both hand and power tools
- Daily documentation of all jobs performed

WHY SHOULD YOU APPLY?

- Competitive pay
- Learn alongside skilled professionals
- Centralized location
- Spend time outdoors daily
- Fun and friendly environment
