

QUALITY INSPECTOR

PEKO Precision Products, Inc is a world class contract manufacturer. We are a vertically integrated organization providing a full-range of manufacturing and innovative technology solutions. We offer a suite of services encompassing all phases of product manufacturing.

PEKO is hiring a Quality Inspector to perform inspection of precision machined parts. We offer medical, dental, life / disability insurance, profit sharing, training opportunities and paid time off. Help us to continue our 50 years of success!

RESPONSIBILITIES:

- Use measurement techniques and equipment to perform dimensional inspections of in-process and finished machined parts and products.
- Assist quality and engineering with investigation of corrective action
- Assist in maintaining all inspection records and documentation in accordance with government, customer, and Company standards.

EXPERIENCE:

- 5+ years inspection experience in a precision machining environment

QUALIFICATIONS:

- Ability to read blueprints and proficient understanding of GD&T
- Previous operation and programming of CMM equipment (PCDMIS)
- Familiarity with ISO compliant manufacturing environments

For immediate consideration please respond to this posting with your resume and salary requirements. Compensation is commensurate with level of experience.
