2024 SYEP  
BIDDER'S CONFERENCE - December 6, 2023

**Q: Is there a way to push the program start date up, even by a week? With the Agreement Start date beginning on June 17, 2024, the current steps cause delay in the interview and hiring processes. Also, navigators cannot be paid via this grant until the proposal is approved. It would be ideal to have the date moved to June 1<sup>st</sup> when program files are delivered.**

- The program starts July 8, 2024. Student names went out at the beginning of June to get the interview process started.
  - As a courtesy, files are distributed around June 1st and are due back by July first

**Q: Are there circumstances where the 12-5 working hours can be adjusted for people that work outside since that is generally the hottest part of the day?**

- Yes, a request for an adjustment for start times can be requested under the Unique or Special Request section (see page 5).

**Q: Is there a resource on child labor laws between 14-15 year olds, 16-17 year olds, and those who are over the age of 18?**

- Please refer to page 3 of the proposal to see the link under the Scope of Services.
