WIOA YOUTH INCENTIVE REQUEST POLICY

WIOA Youth Incentive designations and amounts:

Completion for achievement directly tied to workforce training activities, work experiences and Youth Performance Indicator outcomes, needs to be documented on OSOS with comment following SENSE Model providing specific and detailed information and hard copy documentation in youth's hard file.

- ***“Initial TABE Assessment/Other” \$50*** Increased due to extensive time and difficulty of TABE 11/12 assessment thus, denoting completion of test in acceptable and agreed upon timeframe, which establishes Literacy/Numeracy level *for out-of-school youth*. **Required:** Hard copy documentation in youth's hard file.
- ***“Completion: Prescribed Work Readiness Series” \$25*** denotes completion of an agreed upon set of workshop/activities required to prepare for occupational training and/or employment. Completion: Prescribed Work Readiness Series may be based on the Individual Service Strategy (ISS), OSOS Achievement Objective and/or other objective assessment tools, i.e. CareerZone. Career Zone Portfolio for PY2019 is required for 75% of enrollees including one (1) saved Interest Profiler, one (1) saved Abilities, one (1) saved Work Interest Profiler, two (2) Saved Occupations, and one (1) saved Budget. An example of Completion: Prescribed Work Readiness Series for our youth includes learning how to search for employment utilizing networking opportunities, Recruiting ‘Round Rochester events at RWCC Goodman or RWCC Waring Rd locations, and career fairs, learning how to search and apply online for legitimate job postings through search engines like Indeed.com, learning the role of resume and cover letter as self-marketing tools, learning how to write a resume and cover letter, learning to create a reference list of previous employers, or supervisors from previous community volunteer opportunities, learning the essentials of preparing for a job interview including researching organization, proper dress, good eye contact, good posture, and participating in Mock Interview opportunities to learn how to ask follow up questions to show interest in position. **Required:** Hard copy documentation in youth's hard file.
- ***“Credential Attainment Post-Secondary Credential, HS or HSE Diploma (4th Q after exit)” \$50*** denotes the positive WIOA Youth Performance Measure attainment of a WIOA credential including Post-secondary credential, High School Diploma, or High School Equivalent (HSE, i.e. TASC or GED), during participation or within one year of exit. NOTE: If a youth attains a HS diploma or HS equivalent, then youth must also be

WIOA YOUTH INCENTIVE REQUEST POLICY

employed or enrolled in education or a training program leading to a postsecondary credential to count for Credential Attainment. The idea is that attaining HS or HSE Diploma is the start to either continuing with post-secondary education or attaining unsubsidized employment. Required: Hard copy documentation in youth's hard file.

- **“Placement Employment/Education (2nd Quarter after exit)” \$50** denotes the positive WIOA Youth Performance Measure attainment of employed or enrolled in post-secondary education, advanced training, apprenticeship, or military 2nd Quarter after exit.
- **“Placement Employment/Education (4th Quarter after exit)” \$50** denotes the positive WIOA Youth Performance Measure attainment of employed or enrolled in post-secondary education, advanced training, apprenticeship, or military 4th Quarter after exit.
- **“Measurable Skills Gain” \$50** ***NOTE: Limit 1 Measurable Skills Gain (MSG) incentive request disbursement per youth enrollment, per Program Year (PY).***
Measurable Skills Gain (MSG) is the only category among Incentive designations, a Navigator can submit more than once an incentive, however, the key is remembering the limit of 1 MSG category per PY. Also, once a specific MSG is used, it cannot be reused for incentive purposes. For example, for a youth who is basic skills deficient and is post-TABE Tested and achieves an EFL increase in either Literacy/Numeracy, can do only 1 MSG EFL Increase Incentive Request for PY2019 (July 1, 2019-June 30, 2020) for disbursement. The MSG EFL Increase category cannot be used for the same youth again for the same youth enrollment. This would be the only MSG Incentive Request for PY2019. However, if the same youth in the next program year, for example, successfully completed semester of post-secondary education, then Navigator can submit MSG Incentive Request for post-secondary transcript or report card for disbursement for PY2020 (July 1, 2020-June 30, 2021).
 - 1 Educational Functioning Level increase denotes the positive WIOA Youth Performance Measure attainment of one or more educational functioning levels in literacy or math within 12 months of 1st WIOA youth service;
 - Attainment of a secondary school diploma or its recognized equivalent;
 - Secondary or postsecondary transcript or report card;
 - Training milestones: completion of OJT or completion of one (1) year of an apprenticeship program or similar milestones
 - Skills Progression: Passing knowledge-based exams required for specific occupation or progress in attaining technical or occupational skills

WIOA YOUTH INCENTIVE REQUEST POLICY

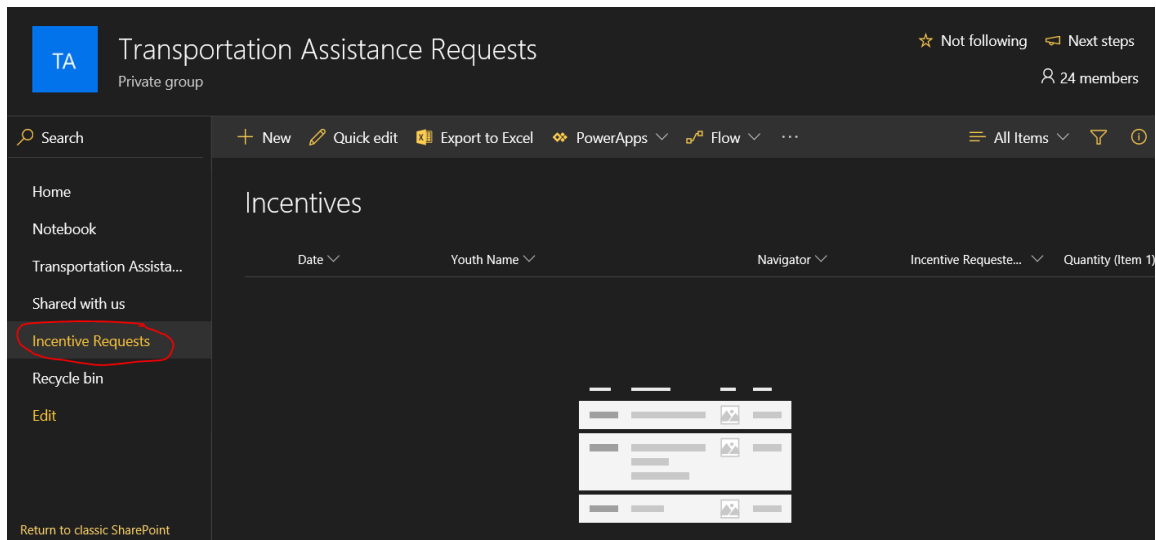

- **“Post-test TABE Assessment/Other” \$25** denotes completion of test in an acceptable and agreed upon timeframe. Results of test do not influence receipt of incentive.
- **“NWRC or Work Keys Certification” \$25** denotes attainment of National Work Readiness Credential, or the attainment of a Work Keys Bronze, Silver, Gold, or Platinum certification.
- **“Completion: Youth Employment Program (YEP) Internship/OJT” \$25** denotes positive completion of **work experience** activity including a minimum 90% attendance, positive monitor report, and/or other measure(s) acceptable to outcome.
- **“Other” \$25** for consideration of a special or unique request related to continued successful involvement directly tied to training activity but with no guarantee of payment. At the discretion of RochesterWorks! such disbursements *may* not count against total amount allowed. Funding is limited and may not be available. Proper and thorough documentation is required.
